

"We thought for a fleeting moment that we would do it ourselves, but then we came to our senses. We absolutely could not have done it without DPM."

**-John McCarthy
Chief Financial Officer**

Diversified managed their 45,000 square foot, two phased office and laboratory construction and relocation project. DPM's scope included overall project scheduling and budgeting, the bidding and selection of all vendors including the architect, contractor, cabler, furniture and moving vendors. DPM also planned and managed the office and laboratory moves ensuring zero downtime or disruption for the staff.
